# 21st Annual 3 P P D Third Party Payer Days

Join your colleagues for a full day of learning! This is the one meeting that provides the opportunity to address insurance related issues directly with most of Indiana's major payers.

You can meet and talk with the Provider Relations Representatives and address your insurance related problems. If you have

a specific problem you would like addressed by one of the carriers, please include it with your registration form and it will be forwarded to the appropriate representative.

New in 2010 — To accommodate practices' need for information, the seminar will offer two tracks: Commercial & Medicare Advantage. To

fully utilize the program, we encourage you to register more than one person from your practice. There is a reduced rate for each additional person from the same practice.

Each of the payers will have a booth so you have more opportunities for one-on-one interaction during breaks.

## General Information

**Exhibit/Question Opportunity**  
The invited payers will each set up a display table with additional information and will have representatives available to answer questions and discuss problems you may be experiencing at your practice.

**Credit Hours**  
6 credit hours will be offered by the American College of Medical Practice Executives (ACMPE) and by the American Academy of

**Professional Coders (AAPC).**  
HFMA members will earn 7 CPE.

**Registration Fees**  
**Member Practice** (Definition: any one person in a practice is a member. The member does not have to be the person(s) attending.)  
\$85.00 - first person  
\$75.00 - each additional person from the same practice.

**Non-Member Practice**  
\$235—first person  
Fee includes membership in IMGMA. Additional people from practice can attend for \$75.00 each.

Fee includes continental breakfast, breaks, lunch and materials.

More information  
Contact the office at 317-209-8743 or skillion@indy.rr.com.

**NEW!** You can now register and pay on-line. Go to [www.imgma.net](http://www.imgma.net) for more information.
